Digital Economy Mission office launched in city

Minister for IT&BT, Science and Technology and Skill Development Dr. C.N. Ashwathnarayan seen lighting the lamp along with Yaduveer Krishnadatta Chamaraja Wadiyar to inaugurate Karnataka Digital Economy Mission (KDEM) Office in Mysuru this morning. Others seen are (from left) B.V. Naidu, Chairman-KDEM, Dr. Ramana Reddy, IAS and Meena Nagaraj, IAS. Mysuru DC Dr. Bagadi Gautham can be seen partially.

Aim is to empower and enable fresh graduates to be industry-ready

Mysuru, Aug. 20 (RKB&BCT)- A month after announcing the launch of Karnataka Digital Economy Mission (KDEM) in Mysuru with an objective of increasing digital economy contribution, the KDEM Office was launched in city this morning by Minister for IT&BT, Science and Technology and Skill Development Dr. C.N. Ashwathnarayan.

The launch ceremony was held at Silver Spirit Technology Park at Hebbal Industrial Area. The KDEM (Beyond Bangalore) Mysuru Cluster aims to increase the digital economy contribution to Gross State Domestic Product (GSDP) up to 30 percent.

As a preferred destination for businesses across several industry verticals, Mysuru is emerging as an IT&BT hub of late. KDEM is an initiative sponsored by the Government of Karnataka that will help Mysuru accelerate and position it as an alternative destination for technology and innovation, Beyond Bengaluru.

Online Music Concert by Vid. Sampagodu Vighnaraja

Vid. Sampagodu *Dr. Jyotsna* *Vid. Arjun Kumar* *Vid. Giridhar*

Mysuru, Aug. 20- Sri Thyagaraja Sangeetha Sabha Charitable Trust, Mysuru, will be presenting an online vocal concert by Vid. Sampagodu S. Vighnaraja on the YouTube channel of the Sabha at 5 pm on Saturday (Aug. 21).

Sampagodu Vighnaraja is one of the young multi-talented vocalists of Karnataka, known for his skills in flute and slide guitar as well. He received his training in music from his father Vid. D. S. Suryanarayana Bhat, a direct disciple under GNB School and Vid. D. N. Subramanya Bhat.

He has bagged many awards such as 'Shatkala Kala Gaana Prathibhamani', 'Ananya Yuva Puraskar', 'Aryabhata' etc.

He will be accompanied by senior artistes, Vidu. Dr. Jyotsna Srikanth on violin, Vid. Arjun Kumar on mridanga and Vid. U. Giridhar Udupa on ghata.

Music-lovers are requested to watch the concert by visiting Sabha's YouTube channel at Sri Thyagaraja Sangeetha Sabha Charitable Trust, according to a press release from Vid. H. K. Narasimhamurthy, Vice-President of the Sabha.

EDITOR'S BOTTOMLINE

We need a specific law to address cases on the false promise of marriage, said the Allahabad High Court recently. The breach of promise to marry can, in some situations, be judicially deemed as rape in India, accounting for roughly 20-30 percent of reported cases. This provision has caused great friction — many rightly argue that the natural end of a relationship is not a crime against a woman, that a man changing his mind does not make him a rapist. Of course, courts also recognise this. The Supreme Court has recently reiterated that every broken promise to marry does not amount to rape. But a rape charge hinges on lack of consent and consent given under a misconception of fact is tainted. While there are some islands of progressive social mores and greater gender equality, in much of India, sexuality is yoked to marriage. While rape law should not be used vindictively by women against their exes, empirical surveys of such cases show a different picture of young vulnerable women, for whom this clause is the only stab at justice. Our criminal and civil laws do not currently offer remedies for this. The court is right to say that it is time to classify such deception as a separate offence, one without a mandatory minimum punishment as rape cases have, but with civil remedies like damages and maintenance. Until then, there are no glib answers to these knotty situations.

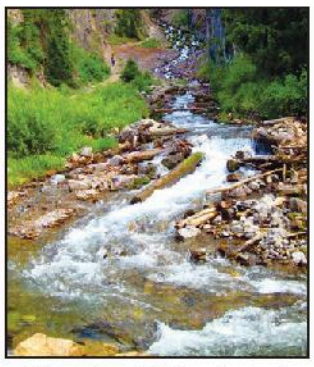
Drunk man sues bar for getting him drunk!

Andrews: A Texas man who sustained injuries after being involved in a bar fight two years ago sued the bar owner for overselling him alcohol and was awarded 5.5 million dollars in a default judgment.

Daniel Rawls claims that after drinking at the La Fogata restaurant, in Andrews, on May 21, 2019, he and another patron, Robert Henrickson, got into an altercation in the parking lot of the restaurant. As a result, Rawls suffered head injuries that his lawyer claimed could have been avoided if the restaurant hadn't continued serving alcohol to both men, who were visibly inebriated. In the complaint, La Fogata's owner and bartender were accused of allowing the two men to drink excessively and leave the restaurant together, as well as not calling an ambulance after Rawls was injured.

Rawls filed the civil suit in May of this year, and on July 27 he was awarded a total of $5.5 million for five claims, including premises liability, negligence, and damages arising from foreseeable criminal conduct.

This spring stops flowing every 15 minutes



Wyoming: At the foot of a rocky mountain in Wyoming, lies a rhythmic spring that intermittently stops and starts flowing around every 15 minutes.

Only a few rhythmic springs exist in the world and Intermittent Spring in Wyoming's Swift Creek canyon is the largest of them all. This peculiar spring flows intermittently. One can see a large quantity of water coming out of a hole in the mountain and then flowing down forming a large creek for about 15 minutes and then dry up for another 15 before the cycle starts all over again.

HEALTH CAPSULE

Coping with Gestational Diabetes

It is simple to keep gestational diabetes under control. In 80% of women special dietary advice that contains no simple sugars and daily exercise will suffice. In another 20% of women glucose lowering medications or Insulin injections are necessary.

VOICE OF THE READER

Stop dumping construction debris into storm water drain

Sir,

Due to dumping of construction materials into the newly formed storm water drain, the rain water is getting accumulated in front of our house (No. 750, 4/5th Main, E and F Block, Ramakrishnanagar).

A complaint was lodged in MCC *janahitha* portal on Aug. 2 but till today no action has been taken. As there is rain almost every day, pooling of water in front of our house has become a nuisance leading to mosquito breeding amid the pandemic.

The person responsible for dumping of construction material in public place doesn't have any civic sense and we requesting him not to dump those materials in the drain has fell on deaf ears. It is very sad to say that there is no one to monitor such illegal dumping of construction debris on the already congested roads and troubling the people.

Gift of life: Organ donation saves 14

4 kidneys, 2 livers, 4 corneas and 4 heart valves harvested from two donors at Apollo BGS Hospitals

Mysuru, Aug. 20 (BCT)- The act of donating one's organs can save the lives of scores of people who live on the brink of death every day. In India, over 5 lakh people die every year due to unavailability of organs.

In a gift of life, organs harvested from 40-year-old Lawrence and 48-year-old Shobha were transplanted yesterday at Apollo BGS Hospitals, Mysuru, while remaining organs were sent to other needy hospitals, thereby saving 14 lives.

Lawrence, a resident of Hunsur and Shobha, a resident of Kushalnagar in Kodagu were brought to Apollo BGS Hospitals on Aug. 16 at 12.40 pm and 2.10 pm from Agastya Hospital and Brindavan Hospital respectively. Both were in critical condition. Investigations and CT scans showed brain stem infarction. They were shifted to ICU for life support and intensive care.

Lawrence

Shobha

Lawrence met with a road accident on Aug. 16 and he was kept on life support for two days while he was in a critical state. On the third day, he was declared brain dead due to brain stem failure.

Shobha suffered from a brain haemorrhage on the same day and was declared brain dead due to brain stem failure on the third day. Both were assessed as per hospital protocol stipulated by the Transplant of Human Organs Act 1994 by panellist doctors, according to N.G. Bharateesha Reddy, Vice-President and Unit Head, Apollo BGS Hospitals, Mysuru.

Lawrence and Shobha were healthy before the incident and further tests confirmed their eligibility for organ donation. Their family members were counselled for organ donation as per the defined protocol. The patients' family readily came forward to donate the organs. Apollo BGS Hospitals is a licenced Centre for Multi-organ Transplant in Mysuru.

Officials from Jeeva Sarthakathe, the State Organ and Tissue Transplant Organisation, initiated the process and the organs were harvested at Apollo BGS Hospitals out of which two kidneys and two livers were transplanted to wait-listed patients while the rest of the organs were sent to needy patients at BGS Global Hospital, Bengaluru, Manipal Hospital, Bengaluru, Mysore Eye Bank, JSS Hospital, Mysuru and Jayadeva institute of Cardiology, Bengaluru.

Counselling mandatory for transfer of Health Dept. staff: Dr. Sudhakar

Bengaluru, Aug. 20 (UNI)- Health and Medical Minister Dr. K. Sudhakar in an order issued on Wednesday has directed to make counselling mandatory for transfers of Medical officers and other staff in the State Health and Family Welfare Department putting a break to arbitrary transfers that were happening round the year through recommendations and other alleged corrupt practices.

This decision will enhance transparency and efficiency in the functioning of the Department and improve delivery of healthcare services to citizens preventing arbitrary transfers based on recommendations and lobbying.

The Karnataka State Civil Services (Regulation of Transfer of Medical Officers and other Staff) Act, 2011 provides that all transfers of Medical Officers and other staff in the Health and Family Welfare Department must happen through counselling. The Act exempts administrative positions from counselling and transfer of such cases has to be brought to the notice of the Minister. No other transfer proposals should be taken up. In case if anyone violates the order, all concerned staff will be subjected to strict departmental disciplinary action, the Minister warned in his order.

Employees who are battling serious illness, who are on the verge of retirement, those who have less than 2 years of service, those who are 40% or more physical handicap, widows, husband - wife mutual transfer and other such special cases based on humanitarian grounds will be considered for transfer only once in 2 months and the Act will also be recommended accordingly, said the Minister.

The Act regarding transfer was passed in 2011 and rules framed. It has been amended once in 2017. Going forward, all transfers will be conducted as per the provisions of the law. This decision will not only ensure transparency and discipline in transfers of Medical Officers and other staff but also prevents corruption and arbitrary transfers which negatively impact the functioning of the Department and delivery of healthcare services to the people, Dr. Sudhakar said in his tweet.

Senior Specialists, Specialists, Deputy Chief Medical Officer, Senior Medical Officer, General Duty Medical Officer, Chief Dental Health Officer, Senior Dental Health Officer, Dental Health Officer can be transferred by Commissioner of the Department. Group B, C and D staff can be transferred by Department Director and the same applies to AYUSH Department.

The rules mandate 3 years, 4 years, 5 years and 7 years mandatory service in one posting for Group A, B, C, and D employees respectively.

CESC interaction and grievances meet

Mysuru, Aug. 20 (KS)- Chamundeshwari Electricity Supply Corporation (CESC) has organised a public grievances meet and Consumer Interaction Programme on Aug. 21 and 23 in city.

CESC N.R. Mohalla Division will hold Consumer Interaction Programme for consumers coming under Central, Jyothinagar, N.R. Mohalla, Chamundipuram and Varuna Sub-Divisions tomorrow (Aug. 21) at 11 am at all CESC Sub-Divisions during which consumers can air their grievances in writing.

CESC consumers, taking part in the programme are urged to compulsorily wear face masks and maintain social distancing.

The Central and Jyothinagar CESC Sub-Divisions have organised public grievances meet for its consumers on Aug. 21 at the Central Sub-Division Office at 11 am. On Aug. 23, the grievances meet has been organised at Jyothinagar Sub-Division Office at 11 am. CESC consumers are urged to make use of these grievances meet and get their problems solved by giving the complaints in writing.

Upakarma

Mysuru, Aug. 20- Brahmana Dharma Sahaya Sabha will be holding Rig Upakarma on Aug. 21 and Yajur Upakarma on Aug. 22 for Trimatastha Brahmins at Kalyana Bhavan on Tyagaraja Road in K.R. Mohalla at 6 am. Vedabrahma Sri Krishnaswamy Shastry and Sri Srinatha Shastry will lead the rituals. Interested must register their names in advance. [Ph: 0821-2446498].

Works on 93-km Mysuru-Madikeri Highway to begin from June 2022

Mysuru, Aug. 20 (RKB&BCT)- Work on the 93-km Mysuru-Madikeri Highway is expected to commence from June 2022 and will be laid at an estimated cost of Rs. 3,883 crore.

The project will be a separate one from the existing NH-275 and will begin from Paschimavahini near Srirangapatna. The existing four-lane road between Mysuru and Madikeri (NH-275) has reached a saturation point and there is an urgent need to build a separate road.

Speaking to reporters at Jaladarshini Guest House in city on Wednesday, Mysuru-Kodagu MP Pratap Simha said that the project will be fully funded by the Centre including land acquisition. The road will not touch Mysuru and will link the Mysuru-Bengaluru Highway (near Paschimavahini) that is being expanded to 10-lane Expressway.

For the project, the stretch between Mysuru and Kushalnagar will be developed by the National Highways Authority of India (NHAI) and will link Madikeri bypassing Hunsur and Mysuru. "The alignment has been approved in principle by the competent authority and the civil works will cost Rs. 2,733 crore while the cost of land acquisition has been pegged at Rs. 1,151 crore," he said.

Mysuru-Kodagu MP Pratap Simha during his recent inspection of Mysuru-Bengaluru 10-lane Expressway.

The four-lane Highway project will be part of the 376-km-long National Highway-275 between Bengaluru and Bantwal. The new Highway will reduce the vehicle pressure on NH-275, the lifeline between Mysuru and Madikeri and commuters from Madikeri to Bengaluru need not touch Mysuru at all, the MP said. The Expressway has a design length of 93 kilometres and bypasses have been proposed having an aggregate length of 84 kilometres at Kushalnagar, Periyapatna and combined bypass for Hunsur, Bilikere and Mysuru. It will have a road median and the alignment for the new road has already been done. "It will considerably reduce the journey time between Madikeri and Bengaluru. Oncompletion of the project, the travelling time between Bengaluru and Madikeri will be reduced to about 3.5 hours from around 6 hours at present," he added.

Another highlight of this project is that it will completely create a new bypass for Mysuru as there will be a deviation (Greenfield Road) from Srirangapatna (near Bommuru Agrahara). A bypass of 12.34 km at Kushalnagar, 20.22 km at Periyapatna and a combined length of 51.43 km for Mysuru to Bilikere and Hunsur will be built as part of the project.

The Expressway will connect Kushalnagar with Bengaluru bypassing Kushalnagar town, Bylakuppe, Koppa, Kampalapura, Periyapatna, Kallbeta, Gonikoppal Deviation Road, Hunsur, Gungral Chatra, Hale Unduwadi, Hosa Ramanahalli and Mysuru. The Expressway will touch the Mysuru-Bengaluru Highway at Paschimavahini near Srirangapatna, the MP added.

Mysuru-Bengaluru 10-lane Expressway

Unscientific, says Sumalatha; Pratap Simha hits back

Mandya, Aug. 20 (BCT)- Mandya MP Sumalatha Ambarish has termed the works of the 10-lane Expressway between Mysuru and Bengaluru as unscientific and would inconvenience people of Kodihalli in Maddur taluk.

At the DISHA (District Development Coordination and Monitoring Committee) meeting held in Mandya on Wednesday, Sumalatha said that the works are not being undertaken scientifically. "Take Kodihalli for example where there are no proper entry and exit points. The service roads are also unscientific. I have already brought this to the notice of Union Transport Minister Nitin Gadkari," she said.

"Villagers along the Expressway had been lodging complaints about the designs of the works. Any development work should not inconvenience the locals and here, their pleas are ignored and I am being targeted in multiple ways for reflecting the sentiments of people and raising my voice," she complained.

Meanwhile, hitting out at his Mandya counterpart Sumalatha, Mysuru-Kodagu MP Pratap Simha challenged her to accompany a team of experts to check the standard of works being executed.

Mandya MP Sumalatha Ambarish on Wednesday inspected the spot, where a minor portion of the side wall under a ramp at KRS Dam had collapsed and repaired. She was accompanied by the officials concerned.

"Sumalatha was not the Mandya MP when the project was conceptualised, designed and finally launched after Modi became Prime Minister. The Highway is being constructed with the development of Mysuru city in mind and it will be called Mysuru-Bengaluru Highway but not Mandya Highway. The project will benefit all and just because the Highway passes through Mandya and Ramanagara, problems should not be created," he said.

Mayoral poll: Congress and BJP wait for JD(S) moves

Mysuru, Aug. 20 (SBD&DM)- With the Mayoral poll just five days away, all the three major political parties — BJP, Congress and JD(S) — are working out their own strategies. The Mayor post is reserved for General Category - Woman.

The Mayoral poll on Aug.25 has been necessitated after Rukmini Madegowda of JD(S) was disqualified after the Karnataka High Court in May last annulled her election from MCC Ward 36.

With no party having a majority of its own in the MCC polls held in 2018, the Congress and JD(S) entered into an alliance to rule the civic body.

Though the BJP emerged as the single largest party in the 2018 polls and has the highest electoral strength of 25 votes, the party has so far been unable to rule the MCC. But the BJP, which is in power in the State, is said to be making a serious attempt to bag the Mayor post this time, by chalking out plans. However, the BJP's plans will be set into motion after holding consultation with Co-operation Minister S.T. Somashekar, in-Charge of COVID-19 Management and Flood Relief in Mysuru and Chamarajanagar districts, who is expected to arrive here today.

Meanwhile, the Congress too is working out plans to retain its alliance with its coalition partner-JD(S). The Congress had come close to the top post in the Mayoral poll that was earlier scheduled to take place on June 11. The party is said to have held first round of parleys with K.R.Nagar JD(S) MLA S.R.Mahesh, who in turn is said to have assured that he would come back after talking with the party's top leaders.

On its part, the JD(S) is said to have adopted a wait and watch policy till the last minute, just as it did during the last Mayoral poll held on Feb.24, when the party's Rukmini Madegowda was elected the Mayor and Anwar Baig of the Congress, the Deputy Mayor.

Ward 36 by-poll: Congress candidate Rajini Annaiah meets GTD, Siddu

Amidst the Mayoral poll political activities, Rajini Annaiah of the Congress, who has been declared the party's candidate for the by-poll from MCC Ward 36 (Yaraganhalli and Ambedkar Colony) scheduled to take place on Sept.3, met Chamundeshwari MLA G.T. Devegowda who has been elected on a JD(S) ticket, but has stayed away from party activities since about two years, here yesterday and sought his support in the by-poll.

Soon after getting the Congress party B form from Opposition Leader Siddharamaiah on Thursday, Rajani Annaiah is said to have visited the residence of GTD and sought his blessings, which has given rise to speculations on whether the Chamundeshwari MLA will extend his support to the Congress candidate, instead of the JD(S) candidate in the by-poll.

It may be recalled that GTD, who is also a former Minister having served in the JD(S)-Congress coalition Government, had played a key role in the election of Rukmini Madegowda as a Corporator in the 2018 MCC polls and her husband Madegowda as a ZP member five years ago. Madegowda, who till recently maintained a close contact with GTD, has reportedly stayed away from him following the Feb. Mayoral poll, in which his wife Rukmini was elected the Mayor.

Triangular contest

In the meantime, the by-poll to Ward 36 is likely to witness a triangular fight between the three major political parties. While the Congress has announced Rajini Annaiah as the party candidate, the JD(S) has announced Leelavathi Mahesh, co-sister of Rukmini Madegowda as its candidate. However, the BJP is yet to finalise its candidate. The last date for filing of nomination papers is Aug.23.

The BJP is learnt to announce its candidate after the arrival of Minister S.T. Somashekar today. The MCC Ward 36 seat is reserved for Backward Class-B Category (woman). The BJP fared poorly in the 2018 polls in the Ward, coming a distant third after the JD(S) and Congress. But in a changed political scenario, with the BJP in power in the State, the BJP too will be a strong contender in the by-election and as such the Ward is touted to witness a keen triangular fight between the three major political parties.

Kodagu girl gets back lost phone

Late mother's memories come alive

Madikeri, Aug. 20 (PS&BCT)- The painful and desperate wait for Hrithiksha, a school-going girl from Kushalnagar in Kodagu to get back her mother's lost mobile phone — that had photos and videos of her mother — ended yesterday after she received the phone that had gone missing at the Kodagu Institute of Medical Sciences (KIMS) in Madikeri.

In May this year, the girl's mother Prabha was admitted to KIMS that was converted as a COVID Hospital. Prabha passed away on May 16. Hrithiksha and her father T.R. Naveen Kumar of Gummanakolli village too had tested positive but recovered. While releasing Prabha's body, Hrithiksha realised that the mobile phone was not returned to them.

Later, she made a fervent appeal to the Kodagu Deputy Commissioner Charulata Somal, MLAs K.G. Bopaiah and M.P. Appachu Ranjan and also to the staff of KIMS to find her mother's mobile phone.

Holding a letter that went viral, the girl said the phone had some of the best photos of her mother and she has to lead a life without her (mother). "Please find and return my mother's phone," she had appealed.

"I have become an orphan now and my mother's phone contained all her good photos. All her memories are stored there. If someone has taken or has found my mother's phone, please return it," the fifth standard girl wrote in the heart-wrenching letter.

Hrithiksha's letter prompted the district administration to intervene but despite all efforts, the phone could not be traced. While Naveen Kumar had lodged a complaint with the Kushalnagar Police stating that his wife's mobile phone along with the SIM card was lost in the hospital, KIMS authorities had lodged the complaint with the Madikeri Police.

Yesterday, KIMS Medical Superintendent landed at Madikeri Police Station and handed over a phone saying that it was found in Hospital's store room. Later, the Police found that the smartphone had many pictures of Prabha and her daughter. IMEI number of the phone and the phone that went missing matched. Police contacted Hrithiksha's family and Kodagu SP Kshama Mishra gave away the phone to the girl at her office.

Adichunchanagiri Seer inaugurates 'Vijaya Health Care' in city

Adichunchanagiri Seer Sri Nirmalanandanatha Swamiji seen inaugurating 'Vijaya Health Care' Hospital at Yadavagiri in city this morning as Adichunchanagiri Mysuru Shakha Mutt Seer Sri Someshwaranatha Swamiji, Dr. C.N. Manjunath of Sri Jayadeva Institute of Cardiovascular Sciences and Research, Bengaluru, MP Pratap Simha, new Hospital owner B. Manjunath, Vijaya Manjunath, Corporator Namratha Ramesh and others look on.

Mysuru, Aug.20 (RK&DM)- The city added one more Hospital to its healthcare today, with the inauguration of 'Vijaya Health Care' at Yadavagiri in city.

Adichunchanagiri Seer Sri Nirmalanandanatha Swamiji, who graced the occasion, dedicated 'Vijaya Health Care' to the society this morning by cutting the ribbon. The Hospital is located on Vivekananda Road in Yadavagiri, close to Akashvani Circle.

Speaking as the guest of honour, Dr. C.N. Manjunath, Director of Sri Jayadeva Institute of Cardiovascular Sciences and Research, Bengaluru, said that the Hospital, dedicated for providing various speciality medical services at an affordable cost, comes at a time when the State and the country is reeling under COVID pandemic, which is causing havoc across the globe.

Pointing out that the third wave of COVID pandemic is expected to strike the country anytime, Dr. Manjunath observed that COVID variants cannot be predicted as the virus has the tendency to change its forms frequently.

Expressing concern that people who have got completely vaccinated too are getting infected by the deadly virus, he said that strict adherence to COVID Appropriate Behaviour (CAB) will play a crucial role in checking its spread.

Regretting that COVID guidelines are being given a go by at gatherings and congregations, especially where politicians take part, he said that *netas* should show the way in following guidelines.

Arguing that politicians can set an example to the population by themselves strictly practicing Government SOPs at public events, he appealed the people to completely get vaccinated for their own health, safety and well- being. Though vaccination does not guarantee a complete protection from the virus, it considerably lessens the intensity and also largely helps in checking the spread of the virus, he added.

Adichunchanagiri Mysuru Shakha Mutt Seer Sri Someshwaranatha Swamiji, Hospital owners B. Manjunath and Suresh of city's Ruchi Groups, MP Pratap Simha, MLA L. Nagendra, MCDCC Bank President G.D. Harish Gowda, former MLA Vasu, Mysuru Hotel Owners Association President C. Narayanagowda, Corporators Bhagya Madesh and Namratha Ramesh and a host of other local political leaders were present.

Former CM D. Devaraj Urs remembered

MLA L. Nagendra, Deputy Commissioner Dr. Bagadi Gautham, Karnataka State Safai Karmachari Commission Chairman M. Shivanna, Karnataka State Compost Development Corporation Ltd. Chairman S. Mahadevaiah and others offering floral tributes to the portrait of former Chief Minister late D. Devaraj Urs at a programme organised by the District Administration, Zilla Panchayat and Backward Classes Welfare Department to celebrate the 106th birthday of the late Chief Minister at Maneyangala in Kalamandira premises here this morning.

Yediyurappa in Maldives on family vacation

Yediyurappa

Bengaluru, Aug. 20 (BCT)- Maintaining a seemingly low profile and at the same time playing his cards close to his chest, former Chief Minister B.S. Yediyurappa, who had to resign abruptly owing to age issues, has left for Maldives along with his family members on a vacation.

He rarely takes a break and his sudden decision to spend time with his family has surprised many as he is a workaholic and the trip comes at a time when there is disgruntlement among a few BJP MLAs. Though there is no official communication from Yediyurappa or his family members on the foreign trip, sources close to his family said that Yediyurappa left India on Wednesday with his son B.S. Vijayendra, daughters and grandchildren to the Maldives. He will return to Bengaluru after a 3-day trip.

Digital Economy Mission office launched in city

(Continued from page 1)

As part of the KDEM Office opening, the Minister also inaugurated the operations of GlowTouch Technologies in Mysuru. GlowTouch is a US-based IT-ITES company headquartered in Kentucky with operational offices in Mangaluru and Bengaluru. Now the company has its branch in Mysuru.

Other dignitaries present on the occasion include Dr. Bagadi Gautham, Deputy Commissioner; Yaduveer Krishnadatta Chamaraja Wadiyar, scion of erstwhile Mysore royal family; Prashanth Prakash, Chairman, Start-up Vision Group; Dr. E.V. Ramana Reddy, Additional Chief Secretary IT&BT; B.V. Naidu, Chairman, KDEM; Meena Nagaraj, Director, Electronics, IT, BT and MD-KBITS; Shyamprasad Hebbar, Director, GlowTouch Technologies and Sanjeev Gupta, MD and CEO Lahari.

Future Digital Jobs initiative

In his address, Dr. Ashwathnarayan said that Mysuru and other clusters like Hubballi and Mangaluru will contribute more than five percent of the overall tech economy by 2030. He also highlighted KDEM's Future Digital Jobs initiative platform for fresh engineering graduates in tier 2 and tier 3 cities to avail job opportunities in reputed IT firms.

"KDEM will provide launch pad training and jobs to selected candidates. Mysuru is the frontrunner as far as this initiative is concerned and will provide a road map for other Beyond Bengaluru clusters as well. The aim is to enable 2,000 fresh graduates in Karnataka to be industry-ready and provide them with job opportunities in the private sector," he added.

Cyber Security Hub

Yaduveer shared his thoughts on Mysuru being a technology destination and spoke about the recent understanding between Bherunda Foundation and Karnataka State Open University (KSOU) to set up a Centre of Excellence (COE) for Cyber Security. KSOU and Bherunda will jointly launch the Cyber Security certification programme for industry and the Government on Sept. 5 this year. Mysuru will now also be known as Cyber Security Hub and produce Cyber Lancers (Cyber Warriors)," he added.

MP Pratap Simha spoke about how connectivity is crucial for industry and academia growth and touched upon the 10-lane Mysuru-Bengaluru Highway, more flights to Mysore Airport and the newly planned Mysuru-Madikeri Highway, all initiatives of the Narendra Modi Government.

Pavan Ranga, Partner - NR Group and CII Chairman; Sanjay Srinivasmurthy, Managing Director, Silicon Road Ideation Labs; Vidya Ravichandran Founder & President, GlowTouch Technologies and P.C. Ramesh - Sr. Vice President & Head – Delivery were present.

'Houses of BPL families to get power connection on priority'

V. Sunil Kumar

Bengaluru, Aug. 20 (KMS&SSV)- Houses of Below Poverty Line (BPL) families having ration cards will get power connection on priority, said Energy Minister V. Sunil Kumar.

Talking to reporters after reviewing ESComs (Electricity Supply Companies) and its subsidiaries here on Wednesday, he said there is no shortage of power as its generation has increased as per demand. Families having BPL ration cards but living in houses without power supply, will be given power connection immediately, he assured.

"There have been complaints from small and marginal farmers about inordinate delay in giving power connection to the wells dug under Ganga Kalyana scheme. Wasteful expenditure could be curbed if the schemes were completed within deadline," the Minister said.

Without mincing words, the Minister said all the Central Government sponsored schemes must be completed in time and there will be no compromise in this regard. "Complaints are in plenty regarding transformer repairs and replacement. Delay in repairs of transformers will cause problems for farmers to water the standing crops. This work must be done on priority," he added.

He said there must be no delay in submitting proposals to the Union Government and done before last date. Steps must be taken to check power theft, illegal connection, delay in power connection and installation of meters as it will prevent loss to ESComs. Quality power supply must be ensured to agriculture, industry and all categories of consumers.

"With increase in Electric Vehicles (EVs), the number of charging centres must be increased. A Fastrack Cell must be set up to address consumer grievances and provide various services including providing new power connection within 24 hours, all under one roof," he added.

MLA Nagendra BJP in-charge of MCC Ward 36 by-poll

L. Nagendra

Mysuru, Aug. 20 (MTY)- Chamaraja MLA L. Nagendra has been made the BJP in-charge of MCC Ward 36 by-poll which is scheduled to take place on Sept. 3.

Talking to media persons, he expressed confidence of BJP winning this seat due to good works done by Prime Minister Narendra Modi, Chief Minister Basavaraja Bommai and former CM B.S. Yediyurappa. "I will work to the expectations of my party leaders," he added.

The Ward 36 by-poll has been necessitated following the annulment of the election of the then Mysuru Mayor Rukmini Madegowda of the JD(S) by the Karnataka High Court in May last.

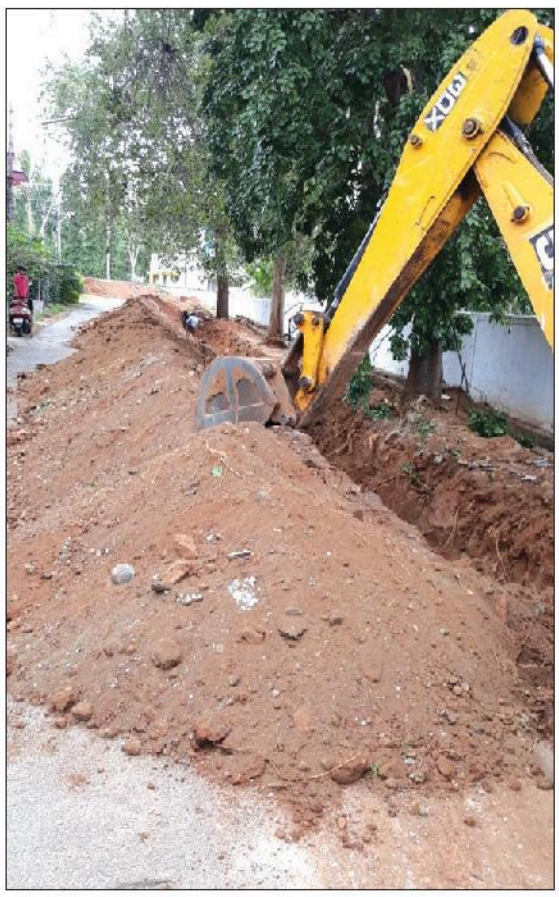
Rukmini was elected as Mayor on Feb.24, 2021. But barely three months into her office, she lost her post, as the High Court upheld a District Court order disqualifying her on the grounds that she had filed a wrong submission of her assets in the polls held in 2018.

Road asphalting works launched in Ward No. 6

City's renowned Gastroenterologist Dr. Rajkumar Wadhwa and Corporator SBM Manju are seen launching the asphalting works taken up at a cost of Rs. 16 lakh at Ward No. 6 comprising Gokulam and Brindavan Layout recently as area leaders and residents look on.

MCC issues notice to land developer for digging trench on road illegally

The trench was being dug to lay UGD pipes for private layout



Mysuru, Aug. 20 (SPN&KS)- Mysuru City Corporation (MCC) Zone-5 Commissioner has, on Wednesday, issued notice to a private land developer for not taking permission to dig the road to connect UGD pipes of a private layout.

A private layout is coming up adjacent to the road connecting Mathura Nagar. To the South side of this private layout, there is a road coming under MCC limits and this road was being dug using an earth-excavating machine by the private layout developer. The machine had dug up a trench about 50 mts length, when the public questioned about the purpose for which the trench was being dug.

As it was causing inconvenience for the movement of public and vehicles, social activist Nagendra had lodged a complaint with MCC and based on the complaint, MCC Zone-5 Commissioner has issued a notice to the private developer under KMC Act asking the land developer to reply to the notice with all relevant documents failing which legal action would be initiated.

Missing woman found dead

Murder suspected

Nanjangud, Aug. 20 (RS&KS)- An elderly woman, who was reported missing on Sunday, has been found dead and her body was found on Wednesday in the empty house, next to the house she was residing.

The deceased woman is Devamma, a resident of Banchallihundi village in the taluk.

The house next to Devamma's house was vacated to undertake repair works. On Wednesday, foul smell was emanating from the empty house and on opening the door of the house, the body of Devamma covered with a gunny bag was found under the cot.

Devamma's brother Shivanna Nayaka, who has expressed doubts over his sister's death, has lodged a complaint with the Police.

Mysuru Rural Police, who visited the spot, conducted mahazar, registered a case and summoned the Dog Squad and Fingerprint experts to the spot.

Additional SP Shivakumar and Dy.SP Govinda too visited the spot. Later, the body was shifted to MMC&RI mortuary for post-mortem.

Mysuru Rural Sub-Inspector Shivananjashetty said that the exact cause for the death would be known only after receiving the post-mortem report.

MUDA reclaims land worth Rs. 80 crore at Hinkal

MUDA Assistant Engineer Nandeesh posing in front of the board erected by MUDA claiming ownership of the Rs. 80 crore worth land reclaimed at Hinkal.

Mysuru, Aug. 20 (YDS&KS)- Following a Court order, the officials of Mysuru Urban Development Authority (MUDA) have reclaimed 8.31 acre land worth Rs. 80 crore at Hinkal here on Wednesday.

The MUDA had acquired 8.31 acre land in survey numbers 331/4 and 331/5 in Hinkal and the land owners had approached the Court questioning the land acquisition by MUDA.

As the Court had given its verdict in favour of MUDA, the officials, on instructions from MUDA Commissioner Dr. D.B. Natesh, have got the said land cleared, fenced the property and have erected a board claiming ownership of the land.

Special Land Acquisition Officer Harshavardhan, Zonal Officer K.R. Mahesh, Assistant Engineers (AEs) Harishankar and Nandeesh, Surveyor Ravi and staff were present.

Bike-borne miscreants snatch gold chain from elderly

Mysuru, Aug. 20 (MK&KS)- Chain-snatchers, who targeted an elderly woman, have snatched her gold chain in city on Wednesday night.

The woman, who lost her gold chain, is 70-year-old Vijayakumari of city. She was proceeding on Geetha Road near Ballal Circle after purchasing groceries, when two miscreants, who came on a bike from the opposite direction, yanked off her 50 grams gold chain and sped away.

A case has been registered at Lakshmipuram Police Station in this regard.

Audit all Muzrai temple properties: Minister

One may need token system to enter temples to prevent crowding

Muzrai, Wakf and Haj Minister Shashikala Jolle holding a meeting in Bengaluru yesterday.

Bengaluru, Aug. 20 (KMS& BCT)- Muzrai, Wakf and Haj Minister Shashikala Jolle has instructed officials to conduct surveys of temple properties under its jurisdiction across the State.

Giving the orders after the puja ceremony at her new office at Vikasa Soudha in Bengaluru on Wednesday, the Minister directed officers to collect all details pertaining to Grade A, B and Grade C temples in all districts by conducting property surveys and initiate measures to protect them.

Under the Hindu Religious Endowment Department, over 35,000 temples in Karnataka are categorised into 'A', 'B', and 'C' categories based on their revenue generation. There are 18,228 staff. Those generating more revenue are under 'A', those generating little less revenue are under 'B' and temples not generating any revenue are under 'C' category.

The Minister also said that hygiene has to be maintained at temple premises and it should be given first priority. She also asked them to ensure steps are taken to provide necessary infrastructure including drinking water and toilet facilities to devotees.

"One of the major projects of the State Government — conducting mass marriages — has been confined to South Karnataka. Awareness campaigns will be taken up throughout the State to spread the scheme," she added.

Jolle directed the officers to prepare blueprints regarding building of facilities for lodging pilgrims at famous temples of Tamil Nadu, Kerala and Maharashtra. She also asked them to check the availability of land at Pandharpur and Tulaja Bhavani pilgrimage sites in Maharashtra to build residential complexes.

She asked the officials to visit the Srisailam in Andhra Pradesh and find a site for the construction of a pilgrim residence for the devotees from Karnataka visiting it.

She reviewed the schemes available to the public from the Muzrai Department and how many pilgrim residences are there for accommodation for devotees near the temples. She urged the officials to provide information on the scope of construction of new pilgrim residences near the temples.

Instead of imposing a complete ban on entry to temples in the wake of the COVID-19 pandemic, she asked them to know what steps could be taken to allow entry to specific devotees in a phased manner.

As temples were shut during the lockdown, devotees have been thronging temples ever since restrictions were eased. The crowd is usually big at popular temples. In order to regulate this, the Government is planning to allow a restricted number of devotees instead of closing them.

The Minister directed the officials to work out a module where a certain number of devotees can be allowed, maintaining all protocols. She held discussions with the Additional Managing Director of the Wakf and Haj Department Sarfaraz Khan and took stock of the programmes being conducted at the Haj Bhavan.

Officials informed her that presently Haj Bhavan is being used as a COVID centre. Muzrai Department Commissioner Rohini Sindhuri and other senior officials of the Department were present at the meeting.

8,480 acres of Wakf properties encroached

Bengaluru, Aug. 20 (BCT)- At a separate meeting held yesterday, Minister Shashikala Jolle asked her Department officers to speedily dispose of encroachment cases of Wakf properties.

She said that in Karnataka, 1,05,885 acres of land is owned by Wakf and of that, 32,192 properties have been registered and 8,480 acres have been encroached and several cases are pending before the court of law. She directed the officers to take steps to speedily resolve encroachment cases.

"I have not yet read the report prepared on Wakf property encroachments by Anwar Manippady. Concrete steps will be taken to recover the encroached properties," she later told reporters after the meeting.

Gazette notification has been issued for all Wakf properties in 149 Taluks and there are 355 staff working in the Wakf Department with 84 vacant posts. The Minister said that there is a government grant of Rs. 105 crore in Wakf Committee and loans are disbursed to poor Muslim families which is lesser by 5 percent.

Women from the community who are suffering from heart ailments and cancer are given a grant of Rs. 1 lakh for treatment. This time, Wakf has got a grant of Rs. 1.74 crore, she added.

SSLC supplementary exam on Sept. 27 and 29

Bengaluru/Mysuru, Aug. 20- The SSLC supplementary exam will be held on Sept. 27 and 29 across the State.

The Karnataka State Secondary Education Exam Board (KSSEEB), which announced the supplementary exam (2020-21) schedule at Bengaluru on Thursday, said that the exam pattern and type of question papers will be the same as that of the annual exam held last month.

The supplementary exam is being held for registered students, who could not appear for the main exam last month and students who abstained from the exam out of COVID fear.

While the first paper comprising core subjects (Maths, Science and Social Science) will take place on Sept.27, the second paper comprising languages (First, Second and Third languages) will take place on Sept. 29.

Six students write II PU supplementary exam in Mysuru

Six II PU students of Mysuru, who had rejected their results announced by the Government last month based on the marks secured in SSLC, I PU and II PU internal tests, appeared for the supplementary exam that commenced across the State yesterday. While two students wrote Basic Maths paper (Commerce Stream), the remaining four students wrote Mathematics Paper (Science Stream).

II PUC supplementary exam is being held from Aug.19 to Sept.3 at just two centres in city — Maharaja PU College on JLB Road and Maharani PU College for Girls on N.S. Road.

City Police have clamped prohibitory orders as per Section 144 CrPC in 200 mts. radius of both the centres on all dates of the exams till Sept.3.

Accordingly, all photocopy and stationery shops in the vicinity of the exam centres have been ordered to shut down on exam dates. Also, barring students and staff on exam duty, no unauthorised person will be allowed to the centres. Carrying of objectionable articles in the vicinity of the centres has been banned.

10 percent rebate on Nandini Milk products during festival season

Mysuru, Aug.20 (MTY&DM)- In a 'sweet' gift to customers during the festival season, MyMUL(Mysuru Milk Union Limited) has announced a 10 percent rebate on all Nandini Milk products for a 15-day period.

Announcing this after inaugurating '15-day Nandini Sweets Utsava' in Mysuru Dairy premises at Siddarthanagar here yesterday, MyMUL President P.M. Prasanna said that MyMUL is offering the 10 percent rebate on Nandini sweet products twice a year — during Republic Day in January and during Independence Day in August — which month also sees a series of festivals.

Appealing the members of the public to avail the 10 percent rebate by purchasing Nandini milk products, which are of high quality, he said that the rebate covers more than 60 sweet items such as Mysuru Pak, Chikkiladu, Peda, Kunda etc.

MyMUL Directors A.T. Somashekar, K. Eeregowda, C. Omprakash, K. Umashankar and R. Cheluvaraju, MyMUL Managing Director B.N. Vijaykumar, General Manager K.S. Jagadish, Marketing Manager S.M.Pradeep and others were present.

Obituary

P. Sujatha

Mysuru, Aug. 20 - P. Sujatha (72), wife of A.H. Narayan, proprietor of ATS Bus Service, Arakere and a resident of Saraswathipuram, passed away following cardiac arrest this morning at her residence in city.

She leaves behind her husband, two daughters and a host of relatives and friends.

Last rites were held at Jayanagar Burial Grounds this afternoon, according to family sources.

Haji Rashid Ahmed

Haji Rashid Ahmed (86), younger brother of former MLA late Mukhtarunissa Begum, former Vice-President of Karnataka State Football Association, Mysuru and a resident of Gopalaiah Street, behind Kutchi Memon Masjid in Lashkar Mohalla, passed away yesterday evening at a private hospital in city.

He leaves behind four sons, three daughters and a host of relatives and friends.

Namaz-e-Janaza was held this morning at Masjid-e-Kutchi Memon, followed by the burial at the Muslim Burial Grounds, near Tipu Circle, according to family sources.

WORD OF THE DAY

Garnish

Pronunciation: GAHR-nish.
Meaning: Decorate, embellish; to add decorative or savory touches to (food or drink); to equip with accessories : furnish; : to take (something, such as a debtor's wages) by legal authority : garnishee.
Origin: Although we now mostly garnish food, the general application of the "decorate" sense is older. The link between embellishing an object or space and adding a little parsley to a plate is not too hard to see, but how does the sense relating to debtors' wages fit in? The answer lies in the word's Anglo-French root, garnir, which has various meanings including "to give notice or legal summons" and "to decorate." Before wages were garnished, the debtor would be served with a legal summons or warning. The legal sense of garnish now focuses on the taking of the wages, but it is rooted in the action of furnishing the warning.
Example: The mashed potatoes were garnished with chives..

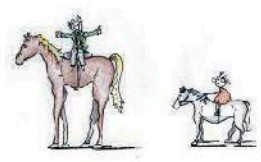
THE ODD WORD

Galanty

Shadow play.

PHRASE OF THE DAY

Get off your high horse



Meaning: A request to someone to stop behaving in a haughty and self-righteous manner.
Origin: 'High' has long been a synonym for 'powerful'; 'remote from the common people'. This usage has also persisted in terms like 'high and mighty', 'high-handed' and 'high finance' and in job titles like 'high commissioner'.
When we now say that people are on their high horse we are implying a criticism of their haughtiness. The first riders of high horses didn't see it that way; they were very ready to assume a proud and commanding position, indeed that was the very reason they had mounted the said horse in the first place. The first references to high horses were literal ones; 'high' horses were large or, as they were often known in medieval England, 'great' horses. John Wyclif wrote of them in English Works, circa 1380: Ye emperour... made hym & his cardenals ride in reed on hye ors. medieval soldiers and political leaders bolstered their claims to supremacy by appearing in public in the full regalia of power and mounted on large and expensive horses and, in sculptural form at least, presented themselves as larger than life.
The combination of the imagery of being high off the ground when mounted on a great war charger, looking down one's nose at the common herd, and also being a holder of high office made it intuitive for the term 'on one's high horse' to come to mean 'superior and untouchable'.

QUOTE BOX

I like criticism. It makes you strong. — **LeBron James**

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

DSP QPTGVI XPVXYP KYTAP DSOIWG VI DSP XQPUOVEG

PM Modi wears 'gumcha' autographed by Olympians

Prime Minister Narendra Modi with Olympians who made India proud at Tokyo-2020.

New Delhi, Aug. 20 (Agencies)- Prime Minister Narendra Modi on Monday had hosted the Indian contingent of the Tokyo Olympics for breakfast at his residence.

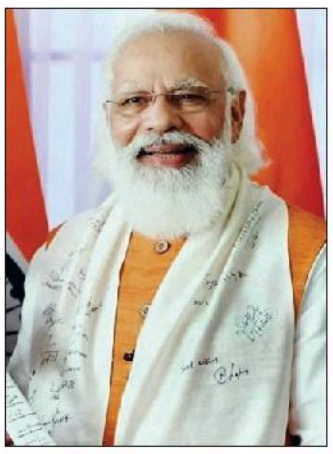
The interaction saw PM Modi sharing ice cream with Bronze medallist P.V. Sindhu and also treating gold medallist Neeraj Chopra with his favourite dish 'churma.' However, what caught attention was the small yet inspiring move by PM Modi where he was seen wearing a 'gumcha' that had autographs of Indian participants of the Tokyo-2020 Olympics.

The image was tweeted by senior BJP leader and the party's National General Secretary B.L. Santosh. Tweeting PM Modi's picture where he can be seen donning the autographed 'gumcha,' Santosh remarked that this kind of respect and recognition is what achievers were missing all these days.

Social media users were also quick to notice and hail PM Modi for his inspiring gestures. One of the users tweeted that it is a culture of our India to shower respect on brilliant players and PM Modi represents the same.

Modi had an eventful breakfast session with the champions and also had a special interaction where the medal winners gifted their favourite sports equipment to the Prime Minister.

While gold medalist Neeraj Chopra gifted his javelin, Sindhu, who secured a bronze medal, gifted PM a badminton racquet. The men's and women's hockey teams each gifted autographed hockey sticks. C.A. Bhavani gave her sword and boxer Lovlina Borgohain gifted her boxing gloves.



PM Modi donning the autographed 'gumcha.'

P.T. Usha's coach passes away

New Delhi, Aug. 20 (UNI) Sprint queen P.T. Usha's coach O.M. Nambiar passed away on Thursday. He was 89.

He is often remembered as one of India's first Dronacharya awardee. In 2021, Nambiar was conferred the *Padma Shri*.

"The passing of my guru, my coach, my guiding light is going to leave a void that can never be filled. Words cannot express his contribution to my life. Anguished by the grief. Will miss you OM Nambiar sir. RIP," P.T. Usha wrote on her twitter handle.

Born in 1932 in a small village near Payyoli in Kannur, Kerala — incidentally also P.T. Usha's native place — Othayothu Madhavan Nambiar was a track and field athlete since his college days. Nambiar joined the Indian Air Force in 1955 and continued his athletics career. Despite various successes at National meets, his dream of

P.T. Usha with coach O.M. Nambiar

representing India remained an unfulfilled dream during his athletics career. As a coach, though, Nambiar lived that dream and much more.

He earned his coaching degree from the famed National Institute of Sports (NIS) in Patiala and began his career by training athletes from the Services (Army, Navy, Air Force).

He came back to his native State in 1970 after taking up an offer to serve as a coach for the Kerala Sports Council. It was during this stint that Nambiar spotted P.T. Usha while attending the prize distribution ceremony after the selection trials for the Kannur division in 1976. What followed was an incredible student-teacher relationship that propelled P.T. Usha to become one of the leading Asian sprinters of her era.
